SCAA

Swiss-Chinese Chamber of Architects and Artists
Architekten- und Künstlerkammer Schweiz-China
瑞士中国建筑师和艺术家协会

Swiss-Chinese Chamber of Architects and Artists (SCAA)

brings together professionals from the fields of architecture and art. The purpose of the SCAA is to foster the mutual understanding between Swiss and Chinese architects and artists, contribute to the deepened cooperation and to offer them a platform to exchange ideas and share experience.

www.scaa.ch

Route2China and **SCAA** present you an once-in-a-lifetime opportunity to discover the fascinating architecture in China!

We arrange internships at the **most prestigious architecture offices** in Beijing, Shanghai, Shenzhen etc. This gives you a chance not only to explore the extreme contrast between traditional and modern architecture in China, but also to broaden your personal horizon, while adding an utmost value to your professional career. Internship can start at any time and for a standard length of 3 or 6 months. For any other wishes, we can tailor our program to your needs. To save you time and energy, we will organise everything in China for you. This includes:

- * **Internship placement**
- * **Visa assistance**
- * **Accommodation in city center**
- * **Airport pick-up**
- * **Local care team**
- * **Professional networking events**

Internship positions are limited, don't miss out this unique opportunity for you. Check out more details on www.route2china.ch/angebot/praktikum/ or write an email to info@route2china.ch
